Welcome to the St. Cyprians' Chapter of OSL January 2013 Healing Conference

We are pleased to bring The Rev. Nigel Mumford, one of the world's foremost ministers of healing prayer and a Director of the International Order of St. Luke the Physician (OSL), to St. Cyprian's Episcopal Church. Fr. Mumford has been engaged in the healing ministry since 1989 when he witnessed the healing of his sister, Julie Sheldon, a ballet dancer with the Royal Ballet in London.

Julie was healed by God through the late Canon Jim Glennon. This was a very dramatic healing from a disease called Dystonia, a neurological condition that curled her up into a fetal position and left her very close to death. Being a witness to her healing has had a profound effect on his life.

Fr. Mumford is a chaplain and North American board member with the International Order of St. Luke. He is also the chaplain for the Fraternal Order of Police in Albany, NY.

Fr. Mumford is the director of healing ministry at Christ the King Spiritual Life Center, Greenwich, NY with the Episcopal Diocese of Albany. He has presented the healing ministry at The Episcopal Cathedrals of Boston, Hartford, CT and New York City; John Hopkins Hospital, and seminaries Yale, New Haven, CT, Trinity Seminary, Ambridge, PA, Nashotah House Seminary,

WI, Gordon College, Wenham MA and Wycliffe Hall, Oxford England.

In 2008, he helped create a healing ministry called "The Welcome Home Initiative". This three-day retreat program invites men, women, and families of our Armed Forces from all wars who have served in combat, to come "free of charge" and be

"welcomed home." This program provides ministry and resources for health and healing.

Fr. Mumford was born and educated in England. He served for six and a half years in Her Majesty's Royal Marine Commandos and continued his education while in the armed forces. His last two years as a Marine were spent as a drill instructor at the Commando Training School.

God is the Healer. We cannot heal anyone. Healing comes through the power of the Holy Spirit. Something always happens when we pray in the name of Christ; physical, emotional, spiritual, healing takes place.

Christ said to his disciples, "Preach the kingdom and heal the sick". Matthew 10:7-8
